16TH CHARITY GOLF

TOURNAMENT
AUGUST 25TH

Dear Friends, Supporters, and Daymakers,

Each year, our golf tournament reminds me just how special this community is. What started as a fun way to give back has grown into something truly beautiful—people coming together to make a real difference in the lives of others. It's humbling, it's powerful, and it's because of YOU.

This year, we're beyond excited (and a little emotional) to share that two amazing causes will benefit from your generosity:

First, the brand-new Boys and Girls Club of Danbury. This incredible space will be a safe, supportive place where kids can dream big, feel seen, and start building the kind of future they deserve. It's not just a building—it's a lifeline for so many young people.

Second, something very close to my heart—we're launching the Dawn's Pizzazz Scholarship Fund, with the help of Art Haddad and the Wolverine Foundation in honor of

Henry Abbott Tech. This scholarship will help aspiring beauty professionals get the education and foundation they need to thrive in our industry. I know first hand how life-changing this path can be—and now, we get to help the next generation step into it with confidence.

These two causes are a perfect match. They're both about pouring into young people, planting seeds of hope, and reminding them that their future is full of possibility. And none of it—none of it—is possible without YOU.

Thank you for always showing up. For trusting us. For saying "yes" to making a difference. Your continued love and support are why we get to do this year after year. So whether you're golfing, sponsoring, donating, or just showing up with that big heart of yours—please know you're helping to change lives.

Let's make this year the biggest, most impactful one yet. Together, we can do something incredible.

With love and gratitude,
Dawn
